District 2, Public Health

Pool Evaluation Requirements

All pool evaluation applications must include the following before we will go out to the site for review:

- Size of the pool
- Size of the spa (if applicable)
- Amount of decking that will be installed

Make sure that the site plan you submit with your application is as follows:

- Show the pool, spa, decking, etc.
- Setbacks from the home
- Setbacks from the property line
- Setbacks from the septic tank and closest drain field line
- Also show fencing, pool equipment, and existing structures
- SEE SITE PLAN REQUIREMENTS
- Copy of the recorded plat
- Forsyth Co Engineering Dept approved LGP (if not required, please provide statement from Forsyth Co Engineering Dept)

**IF THE SEPTIC SYSTEM MUST BE MOVED FOR
INSTALLATION OF POOL REFER TO THE
MODIFICATION APPLICATION!**
